# İGEME-EXPORT PROMOTION CENTER OF TURKEY

National Participation Organizer

本出展事務局

**Stand No: 4D-04/17**

İGEME, which is the only public organization in this field, was founded with the aim of developing and promoting Turkish exports. In line with its objective İGEME acts as an intermediary in establishing business contacts between foreign importers and Turkish exporters.

Thus, it contributes to both parties providing a two-way service, enlightening Turkish businessmen and furnishing foreign importers with information on economic conditions, market prospect, exporters and regulations in Turkey. İGEME performs this function in a series of activities which can be categorized in five main areas; research and development, training, trade information, publicity and promotion, and international relations.

## AGEAN EXPORTERS' ASSOCIATION GENERAL SECRETARIAT

National Participation Organizer

本出展事務局

**Stand No: 4D-04/17**

The Aegean Exporters' Associations, one of the unique examples of public and private sector cooperation established in Turkey, has built herself into a research, coordination, decision making and implementing institution, which works for the promotion of Turkey's exports and provides the smooth and functional running of the relationships between the exporters and the law making system in a rational and dynamic way.

The first Exporters' Union, Izmir Dried Fruits Exporters' Union was founded in 1939, and followed by other Associations. Working in close collaboration with the Prime Ministry's Undersecretariat for Foreign Trade, Aegean Exporters' Associations General Secretariat comprises of 12 different associations and serves over 4 000 member companies. The annual exports realized by the members of these 12 Associations account for approximately 10% of Turkey's total exports.
